23 May, 1943: 400th Anniversary of the Death of Mikołaj Kopernik (Copernicus). One stamp, designed by W.Dachauer and engraved by F.Lorber. Printed recess but with letterpress black overprints "24. MAI 1543". The stamp itself is a reprint of the 1 + 1 Zl stamp of 20 Nov. 1942. Medium, white paper. No watermark. Perf. 14. Sheets in 4 panes of 5 x 2 stamps, cut into sheetlets as shown below.

10 + 10 Zl Claret:
Mikołaj Kopernik.

The Sheetlets:

Sheetlet, Plate No. 1/2, of the Copernicus stamp in claret with black date overprint.

June, 1943: Portrait of Hitler facing Right with Smooth Background. Further three stamps of the issue of 12 such stamps of 26 Oct., 1941. Printed photo-gravure by the Govt. Printing Works, Vienna, on medium white paper. Gum vertically speckled (sometimes barely visible). No watermark. Perf. 14 x 14½. sheets in 4 panes of 10 x 5 stamps each.

50 Gr deep ultra-marine

60 Gr blackish Olive-green

80 Gr purple-violet

All MUH

In use until the end of the German occupation.

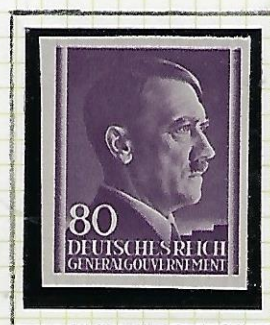

As above, but imperforate.

50 Gr deep ultra-marine

60 Gr blackish olive-green

80 Gr purple-violet

All MUH

Notes: These imperforate stamps appear to originate from excess printing beyond the authorised total, which should have been destroyed as printer's waste but somehow found their way into the trade.

2): All three are scarce or very scarce. None are thought to have ever been used postally. Compare with similar imperforate stamps of the issue of 26 Oct. 1941; also with the stamps with recessed background of 7 April, 1942 and their re-issue of 1944.

June, 1943: Portrait of Hitler facing Right with Smooth Background, contd.

(Perf. 14 x 14½).

On Cover.

Sent 29.11.43 by Registered Express Mail from "Cholm, (District Lublin)" to Nr 30, ulica Mleczna in Radom. "Cholm" = Chełm. Stamps used: 60Gr, 80Gr, and the earlier 24Gr. Arrived Radom 30.11.43.

14 Aug. 1943: 3rd Anniversary of the National Socialist German Labour Party ("Nazi Party") in the Govt.-General Region. Issue with premium. Not a single Pole has ever been found willing to join that infamous organisation. Five stamps designed by W.Kreb and printed photogravure with the central German coat of arms embossed, by the Govt. Printing Works of Vienna. No watermark. Perf. 14. Sheets in 4 panes of 10 x 5 stamps each.

12 + 38 Gr deep green: Cracow Gate in Lublin.

24 + 76 Gr carmine-red: Cloth Hall in Cracow.

30 + 70 Gr purple: Edifice of Provincial Commission in Radom.

50 Gr + 1 Zl deep blue: Bruhl Palace in Warsaw.

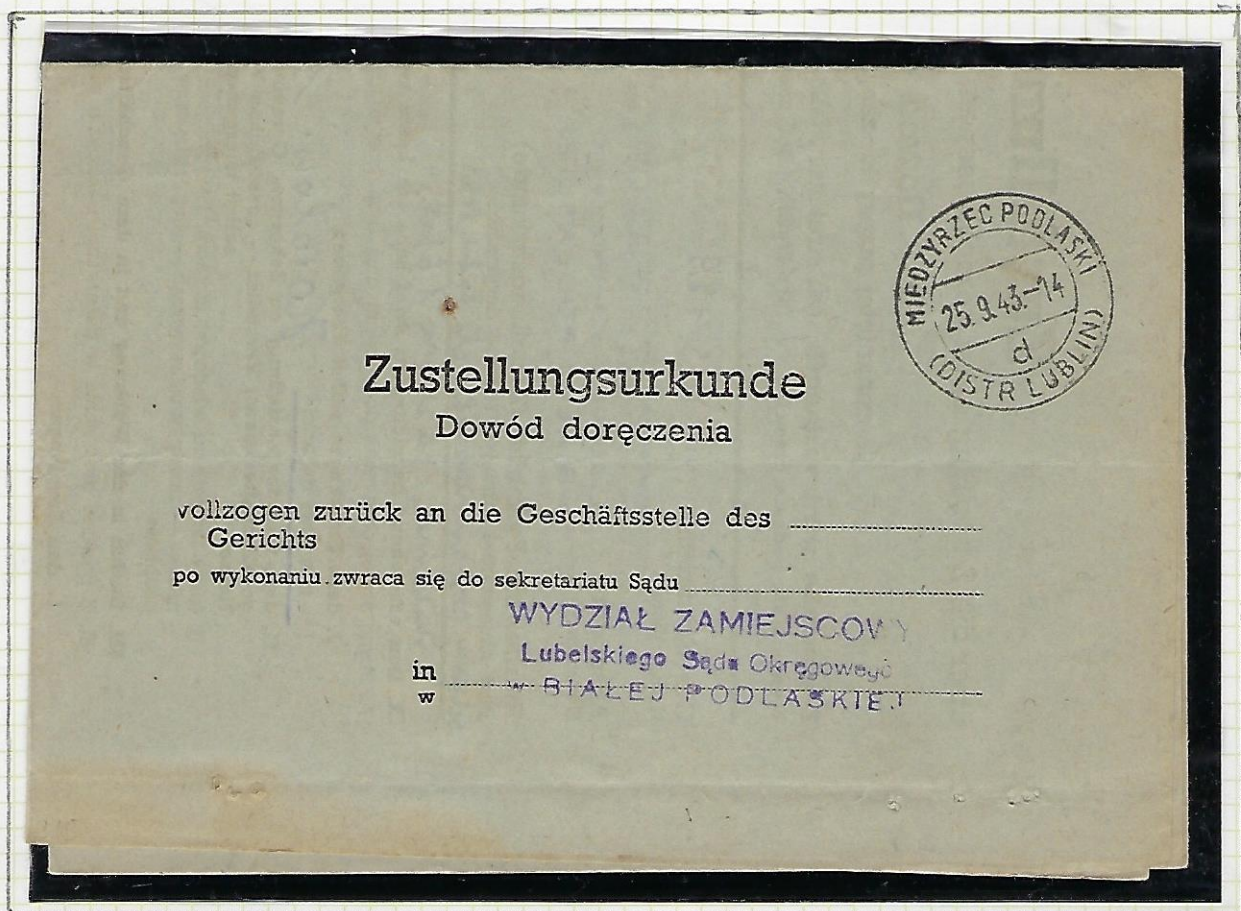

1 Zl + 2 Zl violet-black: City Hall in Lwów (stylised).

In use until the end of the German occupation.

1943: Postal Delivery Voucher.

Another document ~~throwing~~ some light on the barbaric treatment of the conquering Germans on their Polish neighbours.

Signed Międzyrzecz, 24 September, 1943, and postmarked Międzyrzec 25 Sept.43 for return to Biała Podlaska:

Delivery Voucher of a Court Notice from the [German] District Court of Justice [!] of Biała Podlaska [District Lublin, now (1996) Provincial Capital of Biała Podlaska Prov. in eastern Poland], Department of Alien [read: Conquered Poles] Affairs, signed between (Statement of Time Required!) 10 and 11 a.m., 24th September, 1943. personally by the addressee.

Voucher printed in German and Polish.

No postage stamp required.

1944: Re-issue of the Three Top Values of Hitler's Portrait Facing Right with Recessed Background of 7th April, 1942 (but now with fine, regular Perf. $14 \times 14\frac{1}{2}$ comb perforation, instead of the original rough, irregular line perf. of $12\frac{1}{2}$).

1 Zl greyish green.

1.20 Zl deep violet-brown.

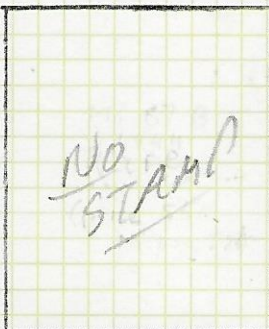

1.60 Zl blackish grey-violet.

In use until the end of the German occupation.

As above, but imperforate:

1 Zl greyish green.

1.20 Zl deep violet-brown.
