brandenburg.

26 Oct. 1944: 5th Anniversary of the Government-General. Issued with premium: one stamp designed by P.Stübinger and engraved by R.Zenziger. Printed by Govt. Printing Works, Vienna, on medium, white paper. No watermark. Perf.14 $\frac{1}{2}$ . Sheets in 2 panes of 2 x 4 stamps each, cut into separate sheetlets. Exist in slightly varying colour shades (see following pages).

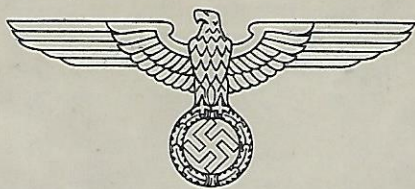

10 Zl + 10 Zl  
Wawel Castle in Cracow.

Cancelled To Order  
at Krakau-1 P.O. on  
First Day of Issue.

Note: This stamp was printed in three impressions. In fact only the first was put into circulation, the second was distributed for commercial purposes and the third (colour variety deep red and greyish black) remained unfinished (without perforation and gumming, although gumming was finally partly completed).

The first impression was in use until the end of the German occupation, very soon after issue.
